Experience

Intern – Web Development & Event Support

Center for Culture and Arts Development (CCAD), Tagbilaran City, Bohol

Jun 2025 – Aug 2025 (3 months)

- Assisted in managing cultural events such as Miss Bohol and Sandugo Festival by providing technical and logistical support.
- Developed and deployed the official CCAD website ([ccad-bohol.vercel.app](#)), ensuring responsiveness, accessibility, and modern design.
- Collaborated with CCAD staff to provide digital solutions for government organizations.

Freelance Web Developer

Self-employed

Aug 2024 – Oct 2024 (3 months)

- Designed and built a community showcase website for the [0xIcarus](#) crypto community.
- Utilized React, Tailwind CSS, Node.js, and Vercel for fast, reliable, and scalable deployment.
